 Quality Performer Hospital eMeasures Solution v.1.5 EHR Module

To Drummond Group:

The Mandatory Disclosure statement of costs and any additional transparency information for our certified product(s) is attached to this letter and will be posted along with the required product information on our website here:

<https://www.pressganey.com/products/clinical-excellence/quality-performer/certification>

We agree to notify Drummond Group of any and all future changes to our transparency and disclosures language for this certified product-version.

We understand and agree that the ONC Health IT Certification Program Final Rule statement gives Drummond Group, as an ONC-ACB, the sole responsibility for ensuring compliance and determining appropriate consequences if EHR technology developers fail to divulge accurate transparency and disclosures information.

We understand and agree that we will provide to Drummond Group copies of or give access to any and all websites, marketing materials, communication statements, and other assertions made by your organization regarding the ONC certification status of this product in a reasonable time to ensure the transparency and disclosures information is being accurately disclosed.

Capability	Description of Capability	Costs or Fees <i>Types of costs or fees that a user may be required to pay to purchase, license, implement, maintain, upgrade, use, or otherwise enable and support the use of the implementation or use of the capability -OR- in connection with the data generated in the course using the capability</i>
Support hospitals' regulatory compliance and performance assessment objectives to Calendar Year 2021/Fiscal Year 2023 Clinical Quality Measure (CQM) requirements associated with	Upload data files into Quality Performer Hospital eMeasures Solution v.1.5 EHR Module, review case data and status of each eMeasure outcome for cases being reviewed, assess measure performance, run data analysis reports and transmit data to CMS.	Hospitals using Press Ganey's Quality Performer Hospital eMeasures solution will pay an annual subscription fee for data collection, data processing and data transmission software and services. This fee includes initial set up, training, and ongoing support and education related to the product and to the reporting requirements. Additional analytic tools may be licensed for additional fees. Clients also have the option to engage Press Ganey for fee-based, "Data Diagnostics" consulting, which helps clients understand and troubleshoot data quality and data completeness issues.

CMS' HER Incentive Program
